MEMORANDUM FOR: Mr. Jack H. Vaughn
Chairman, Latin America Policy Committee
Department of State

SUBJECT : National Policy Paper on Chile

1. The draft National Policy Paper on Chile has been reviewed at various stages by the Central Intelligence Agency, and we are in general agreement with the intelligence judgments on which the policy paper is based.

2. While I endorse those provisions in the paper which have a bearing on U.S. intelligence [redacted] I have no comment to make on the broader aspects of U.S. policy toward Chile, these being outside the competence of the Central Intelligence Agency and the Director of Central Intelligence.

3. I wish to call your attention to the identification of CIA as an action component under Courses of Action #6 and #7, and to request that these references be deleted, in accordance with the agreement reached between this agency and Mr. Joseph Yager, Coordinator of National Policy Papers.
